

COMMENCING MONDAY 12TH NOVEMBER

Qkr – an easy way to pay for lunches

Chisholm Catholic College is excited to offer all parents the ability to order and pay for their children's canteen items using their smartphone, tablet or computer.

The new Qkr app (pronounced 'quicker') by MasterCard is a secure, convenient and easy way to make canteen payments. We encourage all parents to use Qkr as it reduces the need to send cash to school or attend in person to pay, and receipts are automatically generated on your phone or sent to your email.

Apart from making life easier for families, Qkr also significantly streamlines operations within the canteen.

What can be ordered and paid for via Qkr at Chisholm?

- School lunches from the canteen.

The Qkr app can be downloaded free from Apple's App Store for iPhones (iPads need to download iPhone version) or from Google Play for Android phones and tablets.

The Qkr 'How to' Guide available from the school shows parents how to download the app, register themselves and their children, and pay for canteen items.

From **12th November 2018** parents will be able to use Qkr to make canteen orders and payments.
