## Complaints and Appeals Policy

Chisholm Catholic College as an RTO has a complaints and appeals policy specific to the RTO operations. A complaint can be made to the school RTO regarding the conduct of:

- the school RTO, its trainers, assessors or other school RTO staff;
- students of the RTO;
- any third parties providing services on behalf of the school RTO

An appeal can be made to the school RTO to request a review of a decision, including assessment decisions.

Complaints or appeals should be directed to the principal as CEO of the school RTO and either posted to the College (204 California Creek Road, Cornubia) or emailed to [scornubia@bne.catholic.edu.au](mailto:scornubia@bne.catholic.edu.au).

The school RTO will ensure that the principles of natural justice and procedural fairness are adopted at every stage of the complaints and appeals process. All formal complaints and appeals will be heard and decided on within 60 calendar days of receiving the written complaint or appeal. If the school RTO considers more than 60 calendar days are required to process and finalise the complaint or appeal, the complainant or appellant will be informed of the reasons in writing and will be regularly updated on the progress of the matter.

If the processes fail to resolve the complaint or appeal, a review by an independent party will be provided if requested. The designated person (Program Leader - VET) will maintain a secure Complaints and Appeals Register, which documents all formal complaints, appeals and their outcomes.

Any substantiated complaints, as well as the complaints and appeals policy, will be reviewed as part of the continuous improvement processes and appropriate corrective action taken to eliminate or mitigate the likelihood of recurrence.

The principal (as the chief executive officer) of the school RTO is ultimately responsible for ensuring that the school RTO complies with the VQF. This includes the complaints and appeals policy and procedures.
