All students are expected to wear the appropriate uniform hat anytime they are not indoors.

UNIFORM BREACHES

A uniform is more than just items of clothing. It is a connection, a sense of belonging, a culture, an identity. When a student is out of uniform at Chisholm Catholic College, they are directed to the Uniform Support Room.

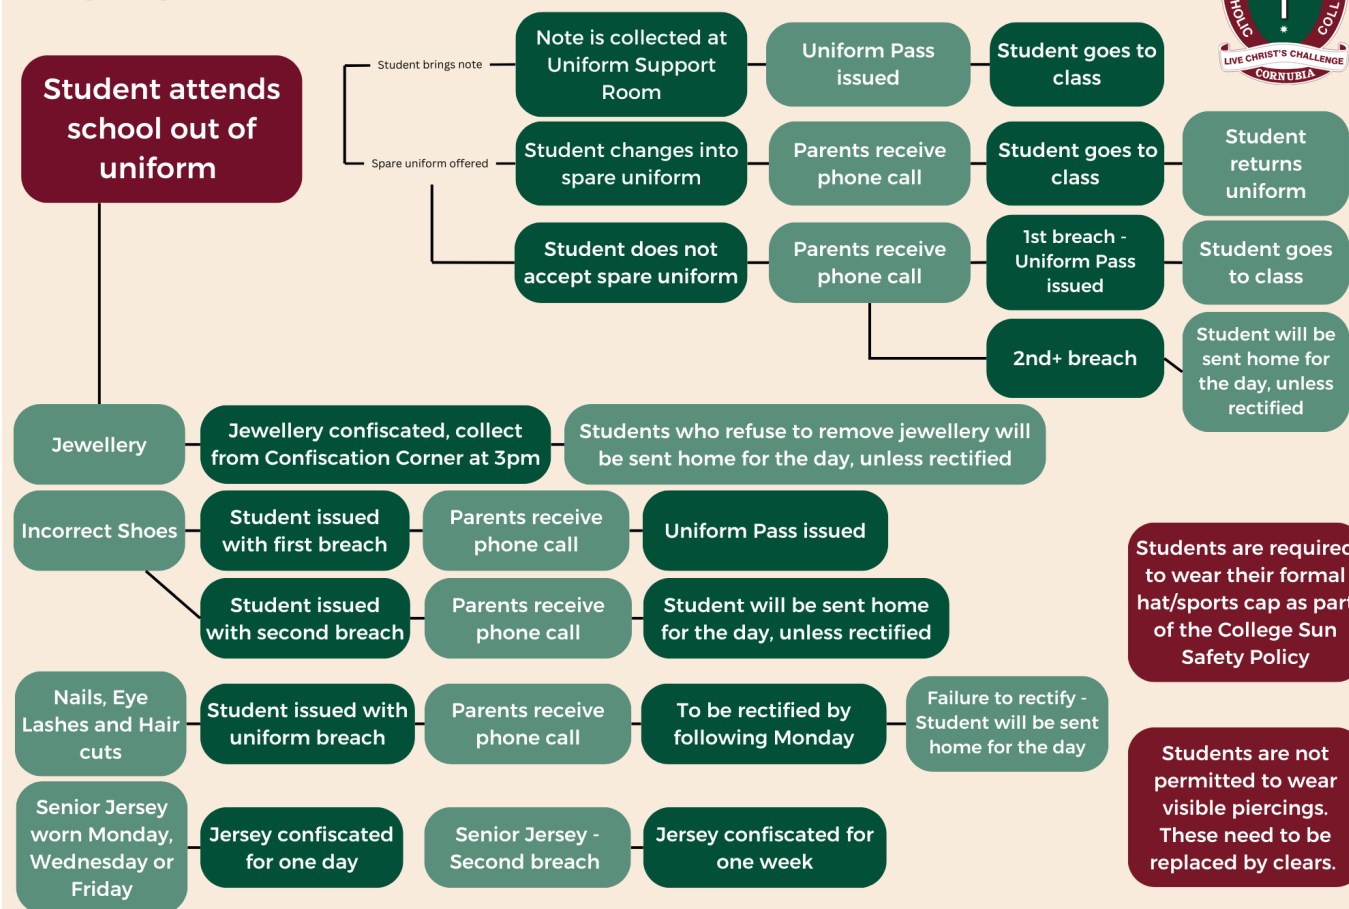

Students with documented legitimate and extenuating circumstances will be managed on a case-by-case basis in consultation with families, the Pastoral Leader, and the College Leadership Team.

Students who present to the College in incorrect or incomplete uniform, more than once and are without a documented, legitimate, or extenuating circumstance will be referred to the Uniform Support Room and issued with a uniform breach. Students will be offered loan uniform items and/or a uniform pass for the rest of the day so they can continue their face-to-face learning. Parents and students will be contacted via email and reminded of the correct uniform items to be worn.

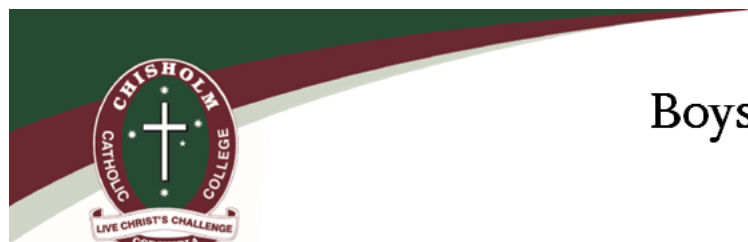

Students who receive more than one breach in a term, may be withdrawn from classes until the infringement is corrected and will be offered an alternative location on the school grounds where they can access their learning via OneNote and Teams and/or may be sent home. If the student continues to present in the incorrect uniform, families will be required to attend a meeting with the Principal or delegate to discuss their failure to comply with the Uniform Policy.
