The Academy is an excellence program that promotes a culture of high performance and allows students to excel in their sporting, personal and academic development. The program provides a pathway for young players to fulfil their dreams and enhance their identity as players and human beings through the combination of practical and theoretical programs.

The Football Academy department is run by Scott Russell who has worked at all levels in professional football in Europe as a coach, scout and performance analyst at clubs such as Liverpool, Hannover 96, Standard Liege, Lille OSC and Wolverhampton Wanderers.
